## Passive House Canada's Member Spotlight - Featuring Legalett's Team Member Jeremiah Point - Marking National Indigenous History Month

Passive House Canada recently did a feature spotlight on Jeremiah Point who is also the owner of Point Engineering in the Territory of Akwesasne. As a proud Akwesasro:non, Point incorporates new technology with traditional values. A Passive House certified designer and Director on the Passive House Board since 2020, he is committed to promoting the Passive House Standard to all his clients.
