

LEGALETT

COTTAGE - 58556

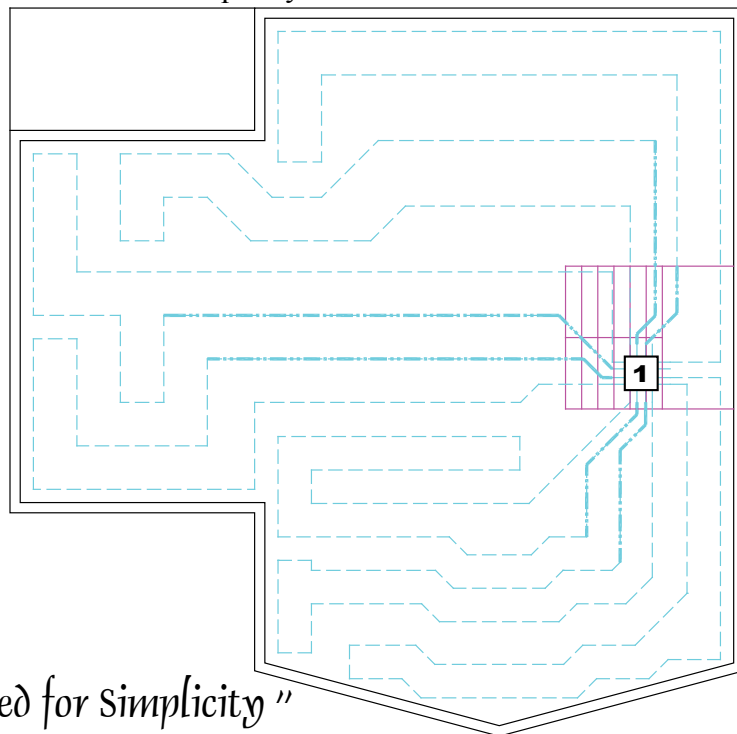

This modern cottage design sits upon a Legalett Frost-Protected Air-Heated “Slab on Grade” system.

The mechanical aspect consists of a Legalett water coil heater, providing heat to four independent zones, controlled by means of programmable thermostats.

Long term benefits of choosing the Legalett system:

- Lower construction costs (No footings required)
- Reduced heating costs (Ontario Energy Board’s Smart Meter initiative)
- Comfortable warm floors and moisture-free indoor air quality
- Minimal impact on the Environment

Location: ... **South Glengarry, ON**
Installer: **Ray-Jans Construction**
Heated Slab Area: **1,044 sq. ft.**

“ Designed for Comfort, Engineered for Simplicity ”
