

This two-story, three bedroom home was built on a Legalett designed Frost Protected 5" Air-Heated Slab-On Grade.

The mechanical aspect consists of two Legalett water coil heaters, each controlling four independent zones by means of programmable thermostats.

Long term benefits of choosing the Legalett system:

- Reduced construction cost, compared to conventional foundation systems
- Comfortable warm floors and quality indoor air
- Minimal impact on the natural environment

Location: ... **Huntsville, ON**
